Would you like to become a University Supervisor for Mercer’s Tift College of Education?

Mercer’s Tift College of Education has initial teacher education programs in various fields. University Supervisors are carefully selected as this role is critical in the professional preparation and success of our teacher candidates.

Qualifications:

The Office of Field Placement and Partnerships seeks to recruit supervisors who have at least a master's degree, are/have been certified, and have at least three years of successful experience in a P12 setting. Priority is given to teachers and administrators who have experience mentoring new teachers, providing professional development for teachers, and/or evaluating teachers. Clinical educators must also be able to utilize appropriate technology-based applications in all clinical placement settings. They are expected to demonstrate proficiency in and use of applicable technology.

If you are interested in becoming a University Supervisor for Mercer, please complete the following:

1. Complete the University Supervisor Interest Form.
2. Submit your current curriculum vitae to tiftfieldplacement@mercer.edu.
3. Send your official university transcripts in sealed envelopes to:
   Mercer University
   Tift College of Education
   Office of Field Placement
   P.O. Box 2140
   McDonough, GA 30253-1730

If you have a question, please contact Ms. Kristin T. Doss, Associate Director of Field Placement, at doss_kt@mercer.edu.
